Future Leaders: Inventors

Invent, collaborate, and lead on a global stage

FL: Inventors | IH Oxford | B2-C2 | 14-17 | 2 weeks | 1-29 Jul | £4138/course

Future Leaders: Inventors is a 25-hour-per-week STEM-focused leadership programme for students aged 14–17 with a B2 level of English or above. Centred on real-world challenges in sustainability, technology, and innovation, the course blends scientific inquiry with collaborative project work. Learners develop critical thinking, problem-solving, and communication skills through hands-on activities designed to inspire the next generation of changemakers.

Accredited by the
BRITISH COUNCIL
for the teaching of English in the UK

STEM Skills with a Leadership Lens

Students apply scientific thinking, inquiry, and logic to address global challenges — developing practical skills in sustainability, innovation, and design.

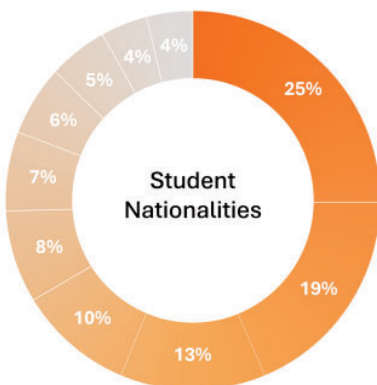

Creative Thinking in Action

From experimenting with blueprints to presenting solutions, learners explore how science, technology, and leadership intersect in the real world.

Inspiring Environment for Growth

A university-style setting, expert teachers, and a global peer group provide the ideal foundation for confidence, collaboration, and future-ready thinking.
