Message from the CEO

Choosing to study abroad is an important decision. At Casa Education, we provide personalised guidance to help each student find the right university, programme and pathway based on their academic profile, ambitions and future goals. We believe that the right education can open doors to a world of opportunities and shape a brighter future. Our experienced team is committed to making every step of the journey clear, smooth and reassuring. Our commitment goes beyond admission. We support students and their families throughout the journey, from the first consultation to their arrival in the UK, helping them make informed decisions and take confident steps towards their future.

Vision

To connect Moroccan students with world-class education and empower them to build a successful global future.

Mission

1. Personalised Guidance — Helping each student find the right academic pathway.
2. Expert Support — Providing professional guidance throughout the application process.
3. Student Success — Connecting students with the right universities and preparing them for their international journey.

Core Values

- Excellence
- Integrity
- Personalisation
- Global Mindset
- Commitment
- Ambition

Together, these principles shape our journey toward a brighter future.

Warm regards,

Dr Sara OUELD EL HACHEMI
FOUNDER AND CEO - CASAEDUCATION

Main study pathways: Foundation • IY1
• Bachelor • Master

60+

University & education partners

10+

Key UK study destinations

100s

Of programmes across multiple academic fields

1

Dedicated team to guide you from application to arrival in the UK

WHY STUDY IN THE UK?

The UK is one of the world's most popular destinations for international students, offering internationally recognised degrees, a wide choice of programmes and a truly multicultural academic environment.

01 Internationally recognised degrees

UK universities are respected worldwide, giving graduates a strong academic foundation for their future careers.

02 Shorter study routes

Many Bachelor's degrees can be completed in 3 years, while many Master's programmes can be completed in 1 year.

03 International environment

Study alongside students from all over the world and develop valuable intercultural and professional skills.

04 Specialised programmes

Choose from thousands of programmes across Business, Engineering, Computer Science, Architecture, Law, Psychology, Art & Design, Health, Finance and many more.

05 Career-focused education

UK universities place strong emphasis on practical skills, employability, independent thinking and professional development.

06 A complete student experience

Beyond your degree, studying in the UK gives you the opportunity to discover a new culture, develop your independence and build an international network.

“Your UK experience is more than a degree — it is an investment in your future.”

Visa and post-study work options are subject to current UK immigration rules and individual eligibility.

FIND THE *right* PATHWAY

Which route is right for you?

Not every student follows the same path to a UK university. Depending on your academic qualifications, grades, English level and chosen subject, you may have several options.

01 FOUNDATION YEAR

BAC → Foundation Year → Year 1 of Bachelor → Year 2 → Year 3

A Foundation Year is a preparatory programme designed to help students develop the academic, subject-specific and English skills needed to progress to a Bachelor's degree.

02 INTERNATIONAL YEAR ONE

BAC → International Year One → Year 2 → Year 3 → Bachelor

An International Year One combines university-level study with additional academic and language support. Successful students can progress directly to the second year of their Bachelor's degree, subject to meeting the progression requirements.

03 DIRECT BACHELOR

BAC → Year 1 → Year 2 → Year 3 → Bachelor

Students who meet the university's academic and English requirements may be able to enter a Bachelor's degree directly.

04 MASTER'S DEGREE

Bachelor's Degree → Master's Degree

For students who already hold a relevant Bachelor's degree and meet the university's entry requirements.

FOUNDATION YEAR

Your bridge to a UK Bachelor's degree

A Foundation Year is a preparatory academic year designed for students who need additional preparation before entering a Bachelor's degree. It can help students adapt to the UK academic environment while developing the knowledge and skills required for their chosen subject.

HOW DOES IT WORK?

WHAT WILL YOU DEVELOP?

Depending on the programme, students may develop:

- Academic English
- Academic writing
- Research skills
- Critical thinking
- Study skills
- Subject-specific knowledge
- Presentation skills
- Independent learning

POPULAR SUBJECT AREAS

- Business & Management
- Computer Science
- Engineering
- Architecture
- Psychology
- Art & Design
- Science
- Social Sciences
- Pharmacy
- Law
- Tourism and Hospitality
- Fashion
- ...and many more.

WHO CAN BENEFIT FROM A FOUNDATION YEAR?

A Foundation Year may be suitable for students who:

- ✓ Have completed the Moroccan Baccalaureate or an equivalent qualification
- ✓ Do not meet the direct Bachelor's entry requirements
- ✓ Need additional academic preparation
- ✓ Want to develop their English and study skills
- ✓ Are changing academic direction and need preparation for a new subject area

Important: Entry and progression requirements vary by university and programme. A Foundation Year is not a year lost. It can be the first step towards a successful UK degree.

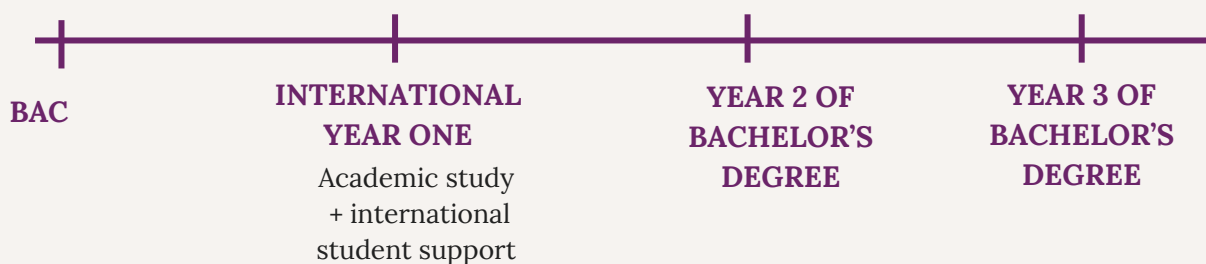

INTERNATIONAL YEAR ONE

Start your university journey at Year 1 level

An International Year One (IY1) is designed for international students who want to begin university-level study while receiving additional academic and language support.

THE PATHWAY

WHAT MAKES IY1 DIFFERENT?

Unlike a traditional Foundation Year, an International Year One is designed to correspond to the **first year of a Bachelor's pathway**. Successful students can progress to Year 2 after meeting the programme's progression requirements.

BENEFITS

- ✓ University-level academic experience
- ✓ Additional support for international students
- ✓ Smaller learning environments in many pathway programmes
- ✓ Development of academic and English skills
- ✓ Potential progression directly into Year 2

OUR PATHWAY PARTNERS

CasaEducation works with leading pathway providers, including:

INTO | Kaplan | OnCampus | Oxford International

These providers offer international pathways connected to a range of UK universities and programmes.

FOUNDATION OR IY1?

The best choice depends on your:

Academic profile + English level + chosen subject + university + future goals

There is no "one-size-fits-all" pathway. The right route is the one that matches your profile.

BACHELOR & MASTER

Continue your academic journey in the UK

BACHELOR'S DEGREE

A UK Bachelor's degree allows students to specialise in a chosen field while developing academic knowledge, practical skills and professional competencies.

EXAMPLES OF STUDY AREAS

Business • Finance • Marketing • Accounting
• Economics • Computer Science • AI & Data Science • Engineering • Architecture • Psychology • Law • International Relations • Art & Design • Media & Communications • Health & Social Sciences • Biomedical Science • Medicine • Nursing • Physiotherapy • Sports Science • Hospitality & Tourism • Aviation • Environmental Science • Life Sciences

TYPICAL APPLICATION REQUIREMENTS

Depending on the university and programme:

- ✓ Academic qualifications
- ✓ English language evidence
- ✓ Passport
- ✓ Academic transcripts / certificates
- ✓ Personal statement where required
- ✓ Additional documents depending on the course

MASTER'S DEGREE

For students who already hold a Bachelor's degree and want to specialise further. Many UK Master's programmes can be completed in one year, although duration varies depending on the programme.

WHY A UK MASTER'S?

- Specialise in your field
- Develop advanced professional skills
- Gain international academic experience
- Strengthen your career profile
- Build an international professional network

APPLICATION PROCESS

Profile assessment → Course selection → Application → Offer → Deposit → CAS → Visa

Requirements, tuition fees and visa conditions vary by university and programme.

Already have a Bachelor's degree?

Let CasaEducation help you explore the right Master's options for your profile.

OUR UNIVERSITY *and* PATHWAY PARTNERS

FROM APPLICATION TO THE UK

Your journey, step by step

01 – INITIAL CONSULTATION

We learn about your academic background, interests, budget and future plans.

02 – PROFILE ASSESSMENT

We review your qualifications and identify suitable academic pathways.

03 – UNIVERSITY & COURSE SELECTION

We help you compare universities and programmes.

04 – APPLICATION

We prepare and submit the required application documents.

WELCOME TO THE UK!

OUR ROLE

From your first question to your departure, CasaEducation is here to help you understand each stage of the journey.

Good preparation makes the journey easier.

Visa decisions are made by the relevant UK authorities. CasaEducation provides guidance and application support but does not guarantee visa approval.

05 – OFFER

You receive your university offer and review the conditions.

06 – ACCEPTANCE & DEPOSIT

Once you decide to proceed, you complete the required steps with the university.

07 – CAS & VISA PREPARATION

We guide you through the required steps for your UK Student visa application.

08 – PRE-DEPARTURE

Accommodation, travel, documents, practical information and preparation for life in the UK.

IF YOU ARE APPLYING FOR A MASTER'S

Whether you are currently completing your Bachelor's degree, already hold a Master's degree, or are a working professional looking to return to education, the UK offers a wide range of Master's opportunities to suit different academic and career goals.

At CasaEducation, we help you identify the right programme, university and pathway based on your academic background, experience and future ambitions.

IF YOU ARE CURRENTLY COMPLETING YOUR BACHELOR'S DEGREE:

To start your application, send us:

- Year 1 transcript
- Year 2 transcript
- Latest available academic results
- Passport copy
- English language test, if available

You can start your application while you are completing your final year.

IF YOU HAVE ALREADY COMPLETED YOUR BACHELOR'S DEGREE:

To start your application, send us:

- Year 1, Year 2 & Year 3 transcripts
 - Bachelor's degree or certificate of completion
 - English language test, if available
 - Academic reference / recommendation letter (one or two references depending on the university)
 - Personal Statement
 - CV in English
-

NO ENGLISH TEST YET? NO PROBLEM.
DEPENDING ON THE UNIVERSITY AND PROGRAMME, YOUR ENGLISH TEST CAN BE PROVIDED LATER AS PART OF THE APPLICATION PROCESS.

For international students, university-managed accommodation or trusted student residences can often be the simplest option, especially for students arriving in the UK for the first time.

OUR RECOMMENDATION FOR INTERNATIONAL STUDENTS

MANY UNIVERSITY RESIDENCES OFFER:

- Bills included — electricity, heating and water
- Wi-Fi included
- Furnished rooms
- Shared kitchen and common areas
- On-site support and security
- Convenient location close to campus

For students who are under 18, some accommodation providers may have additional requirements, such as parental consent or a UK-based guardian, depending on their policies. Our advice: Always check the accommodation requirements before booking. Casa Education can help you understand the available options and identify accommodation suitable for your age, university and budget.

BILL-INCLUSIVE ACCOMMODATION

When comparing accommodation prices, don't look only at the weekly rent. Check what is included in the price.

£200/week including bills may be more convenient than £170/week + electricity + water + Wi-Fi + other charges.

This makes it much easier for students and parents to plan their monthly budget with greater certainty.

UNIVERSITY OF SUNDERLAND

TWO CAMPUSES. ONE UNIVERSITY.

With two distinctive study locations – **Sunderland and London** – the University of Sunderland offers a wide range of undergraduate and postgraduate programmes designed to support students' academic and career ambitions.

From Bachelor's degrees and Foundation pathways to Top-Up and Master's programmes, students can choose from a wide range of subject areas, including Business, Computing, Engineering, Health, Finance, Tourism & Hospitality and more.

Explore the programmes available at both campuses and find the option that best matches your academic profile, career goals and preferred student experience.

ENTRY REQUIREMENTS FOR MOROCCAN STUDENTS

UNDERGRADUATE

- Moroccan Baccalaureate :14/20
- French Baccalaureate :12/20

MASTER'S

- Bachelor's Degree :11/20

ENGLISH LANGUAGE REQUIREMENTS

- IELTS 6.0 overall
with 5.5 minimum in each component

**Some programmes may have different or higher requirements.*

NO IELTS YET?

No problem!

The University of Sunderland offers its own English Language Placement Test (ELPT) for eligible applicants.

The test is:

- ✓ Free of charge
- ✓ Available online throughout the year
- ✓ Also offered in Morocco during selected in-country sessions

The ELPT can be used as an alternative to IELTS/TOEFL for Sunderland admission, subject to the university's requirements and current arrangements.

Start your application even if you haven't taken an English test yet.

UNIVERSITY OF SUNDERLAND PROGRAMMES

Undergraduate Programmes

- MA Film and Television
- MA Photography

Health & Social Sciences

- MSc Public Health
- MSc Psychology
- MSc Health Psychology
- MSc Global Public Health

Master's Entry Requirements

- **Bachelor's degree:** UK equivalent of a 2:2 or 2:1, depending on the programme.
 - **Moroccan Bachelor's:** Typically 11/20 for 2:2 and 13/20 for 2:1.
 - **English:** Usually IELTS 6.5 overall, with at least 5.5 in each component.
 - **Additional requirements:** May include a relevant degree, Personal Statement, CV and references.
 - **Work experience:** Required only for certain programmes; some Master's and MBA programmes accept applicants without prior work experience.
-

UNIVERSITY OF BIRMINGHAM

-BIRMINGHAM / RUSSELL GROUP

From Business and Finance to Computer Science, Engineering, Law and Biomedical Sciences, the University of Birmingham offers a broad range of undergraduate programmes. A Russell Group university, it combines research-led teaching with opportunities for professional development and international experience.

Undergraduate Programmes

Business & Finance

- Business Management BSc
- Business Management with Business Analytics BSc
- Accounting and Finance BSc
- Money, Banking and Finance BSc

Computer Science & Technology

- Computer Science BSc
- Artificial Intelligence and Computer Science BSc
- Computer Engineering BSc

Engineering

- Aerospace Engineering
- Civil Engineering
- Chemical Engineering
- Mechanical Engineering
- Materials Science and Engineering

Law & Social Sciences

- Law
- Law with Business
- International Relations
- Politics
- Criminology

Arts & Humanities

- English Language and Linguistics
- Modern Languages
- Liberal Arts and Natural Sciences

Health & Life Sciences

- Biomedical Sciences BSc
- Medicine and Surgery
- Pharmacy
- Nursing
- Physiotherapy
- Human Neuroscience

Bachelor's Entry Requirements

- **Moroccan Baccalaureate: A Foundation Pathway may be available from 14/20; the Moroccan Bac alone does not normally qualify for direct undergraduate entry.**
 - **French Baccalaureate: Typically 13–15/20, depending on the programme and qualification.**
 - **English language: IELTS requirements vary by course, commonly 6.0–7.0; pathway requirements may differ.**
 - **Programme-specific: Subject prerequisites, higher grades, tests or interviews may apply.**
-

STUDENT ACCOMMODATION

SINGLE ROOM

A private bedroom with a single bed and personal study space.

Best for: Students who prefer a simple and affordable private room.

STUDIO

A self-contained private space with a bedroom/living area, private bathroom and usually a private kitchenette.

Best for: Students looking for maximum privacy and independence.

SHARED KITCHEN

A bedroom shared with another student, usually with shared access to bathroom and kitchen facilities.

Best for: Students looking for a more affordable option and a social experience.

Choosing the right accommodation is an important part of your student experience. In the UK, students can choose from different types of accommodation depending on their budget, preferred level of privacy and lifestyle.

At Casa Education, we can help you understand the available options and choose accommodation that suits your needs and university location.

ENSUITE ROOM

A private bedroom with a private bathroom (shower/toilet).

Shared kitchen and common areas are usually provided.

Best for: Students who want more privacy while still enjoying shared student facilities.

SHARED ROOM

A bedroom shared with another student, usually with shared access to bathroom and kitchen facilities.

Best for: Students looking for a more affordable option and a social experience.

WHAT SHOULD YOU CONSIDER?

Budget:

Accommodation costs vary depending on the city, residence and room type.

Location:

Consider the distance from your university, public transport and local amenities.

Privacy:

Choose between shared facilities, a private bathroom or a fully independent studio.

Lifestyle:

Think about whether you prefer a social environment or a more private space.

DON'T WAIT FOR YOUR RESULTS. START EARLY.

Your UK journey can start before you receive your final results.

At CasaEducation, we encourage students to contact us early so we can assess their profile, explore suitable universities and programmes, and prepare their applications in advance.

IF YOU ARE CURRENTLY IN YOUR FINAL YEAR OF HIGH SCHOOL

To start your application, send us:

01 — Your latest academic transcript

Your most recent school report / transcript.

02 — Your passport

A clear copy of the first page of your passport.

03 — English language test

IELTS or another recognised English test, if already available.

If you have not taken a test yet, that's absolutely fine — it can be provided later as part of your application.

ONCE WE RECEIVE YOUR DOCUMENTS, WE WILL:

- Review your profile
- Explore your options
- Choose your programme & university
- Prepare your application

Depending on the university and programme, you may also need:

- A letter of recommendation
- A Personal Statement
- Additional academic or supporting documents

YOU DON'T NEED TO WAIT FOR YOUR FINAL BAC RESULTS TO START PLANNING YOUR FUTURE.
